E I may need your push to make this 19th St thing happen.

Ok.

E Thank you sir!

Thursday, May 20 · 2:29 PM

E Well we will see if we get out of here before bedtime today. LOL

lucas did this on purpose. always sabotaging the fun!!

E Ooh boy we are about to give you a lot of work. I hope the mayor gave you a heads up on this.

Sunday. In the rain secretly in my car. I'm actually really excited about this opportunity. The solutions are so obvious and awesome and we finally get the chance to do stuff.

Plus we can't go on with record murder rates and just do nothing

KCPD is about to sue us also by the way.
