

I need your help. There is a recall petition against me happening now until August 22nd initiated by a group based outside of the 4th district. They aren't winning this fight, but we aren't leaving anything to chance. *Will you help me fight off this frivolous effort aiming to stop our progress?*

The recall petition is based on a single policy issue. My colleagues and I believe the KCPD should be held accountable by your representatives, and we took action to make it happen. It's a policy decision I stand by.

Keep in mind, most of the folks circulating the petition **don't even live in our district**. Their agenda is to maintain the status quo of the KCPD -- to retain the system that gives the Governor of Missouri full control and our citizens zero control. I cannot in good faith continue to protect a
