[EXTERNAL SENDER]

Watching 10 p.m. news — a bit confused because we talked through this for nearly 45 minutes and the story still cites this as “defunding the police.”

As we’ve discussed, this ultimately increases the KCPD budget, so I’m confused about the disconnect.

Do you need more clarification from me? Can you convey what we discussed to your team so it’s reflected in y’all’s coverage?

Thanks!
